### Helpful Hints

<b>MEASUREMENTS</b>	Make sure the bride is wearing the undergarments she will be wearing with the gown on her wedding day. Keep the tape straight, ensuring it doesn't fall lower in the back.
<b>PLUS SIZES</b>	Check Price List for select styles available in plus sizes (+S). No extra charge.
<b>BUST</b>	Measure under the arms, across the fullest part of the bust.
<b>WAIST</b>	Measure around the natural waist.
<b>HIPS</b>	Measure around the widest part of the hips.
<b>*UPPERARM</b>	See "Sleeve Round" on diagram to the right.
<b>**LONG SLEEVE</b>	For long sleeve gowns or jackets only--measure length from shoulder seam to end of standard long sleeve hem.
